MISSIONARIES OF THE WEEK

CONNIE & SANDRINE
ANDERSON—HAITI

Please pray for Haiti. Our people need the Lord, and we also need your prayers so that we can be the testimony before them that will glorify our Lord and Saviour.

Thank you to many who have helped us with our doctor bills, getting our school ready for the year, and the many things that needed to be done.

God is faithful!

We encourage you to reach out to our missionaries. The Andersons can be reached at connieanderson@mwbm.org

NEXT STEP SUNDAY

Several families and individuals are ready to take their next step in following the Lord. For some this is joining the church; for others it is baptism. Join us on this special Sunday as we encourage those who are making these important life decisions. If you are interested in taking your next step, please see Pastor Jennings.

AMBASSADOR BIBLE COLLEGE ENSEMBLE

Monday, March 11, at 7 pm, the ensemble from Ambassador Bible College will present their ministry through music and preaching. Please bring your young people and invite others.

SHEPHERDING A CHILD'S HEART

On March 13 we will begin a Wednesday night Bible study on parenting. This video course will be held in the auditorium. Please sign up in the foyer and invite others. This class is open to the community. Dan Bachman will lead regular Wednesday night prayer services in the fellowship hall.

LADIES BIBLE STUDY IN RUTH

Beginning on Saturday, March 23, Joanna Jennings will lead a six-week ladies Bible study through the book of Ruth. Our goal is to provide historical context and practical application for our lives today. There will be a sign-up sheet in the foyer for those interested.

SPONSORSHIPS NEEDED

Several youth camps are coming up, and we are in need of sponsors. If you would like to sponsor a child, please let Pastor Jennings or Mike and Noel Swafford know.

DON'T FORGET TO SPRING FORWARD NEXT SUNDAY!
