## OUR MISSIONARY

BECCA JOSEPH—HONDURAS  
MEDICAL MISSIONS

February was a busy month filled with meetings, visits, and a last minute trip to Honduras where our 22 member team assisted a national pastor in holding an optical and medical clinic. During the 4 day clinic, our team was able to see over 1600 patients and most of those patients accepted Christ as their Savior! My goal is to work at the surgical center in El Progreso. God recently provided some much needed medical equipment. Please pray a reverse osmosis water filter will be provided. I will be making another trip in April. Thank you for your prayers and support!
