

# Welcome!

TO CROOKED CREEK BAPTIST CHURCH

Daylight Saving Time begins next Sunday, March 8. Please set your clocks forward. Service times will be as usual.

"The DNA of Relationships" video series by Dr. Gary Smalley continues this Wednesday night. This video series offers excellent insight on how God has designed us to be successful in our relationships and will be a tremendous help to us in our daily lives. We will have small group discussion after the video.

Choir practice is each Sunday at 5pm. We are in need of childcare during this hour. If you are willing to help out, please let Mike Swafford know.

The Oaks is an assisted living facility that we go to every third Saturday of the month. We believe that God wants us to love and encourage these residents. We lead a chapel service that consists of singing, instrumental music, greeting the residents, and a Bible message. If you would be interested in helping with this needy ministry, please see Tim Sparks or Timothy Dzimianski.

## Missionaries of the Week

MARJORIE TATTER  
BAPTIST MID-MISSIONS EDUCATION CONSULTANT

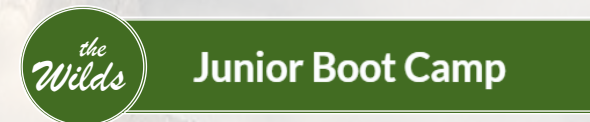

Pray for the salvation of Josie, Destiny, Trinity, and Angela. Pray also for our van which has broken down. Without this transportation I am not able to hold class. Several members of Baptist Mid Missions with whom I serve with are experiencing serious physical situations. They are dear to my heart and prayer for them is appreciated. Thank you for your continued support over the years!  
*You can send a word of encouragement to Marjorie at [tatterchat@yahoo.com](mailto:tatterchat@yahoo.com).*

The Bible says "him that glorieth, let him glory in the Lord." This conference will focus on glorifying God and His Word through powerful preaching, joyful adoration, and encouraging fellowship. Be in prayer for this week of meetings and let's anticipate God's Spirit to work mightily!

The Young At Heart will meet at the Jefferson House Restaurant at 10am Tuesday, March 10.

The Wilds camp has a discount on their Jr. Boot Camp week June 1-6 for children currently in grades 3-6. Please see Daniel Dzimianski for more information.
