MISSIONARIES OF THE WEEK

BRANDON & TABITHA MURDOCK

On Deputation to Germany

During this time of cancelled meetings, we have been busy with projects at our local church. Brandon has helped several churches set up online giving and video services. The Lord has opened opportunities because of the pandemic to share the Gospel to spiritually hungry people. Thank you for your prayers during this time!

SERVICE UPDATE

The Sunday service this week will be a drive-in service and livestream with **no evening service** on Mother's Day. Wednesday will be livestreamed as usual. Please continue to pray for guidance as we make decisions in the upcoming weeks concerning our services. Thank you for your faithfulness to attend our drive-in and live stream services!

UPCOMING REVIVAL MEETING

Evangelist Matt Galvan and his wife Hannah will be with us May 17-20. Matt will be leading a teen activity for our youth group on Saturday, May 16. We will be giving more details in the near future. Please be in prayer that our church will see God move mightily during this revival meeting!

BIBLE TIME TRAINING

Thomas Simpson will be with us May 30-31 to lead training sessions for our VBS hosted by Neighborhood Bible Time. VBS is currently scheduled for July 19-24. We will need many workers for registration, teaching, counseling, setup and takedown, crowd control, snacks, crafts, and more! Training will be Saturday the 30th beginning at 6:30pm.

LIVESTREAM

All services are currently being livestreamed through Facebook and the church's website. If you experience any issues with viewing, please text Mike Swafford at 706-362-3188. The services can also be viewed anytime after the livestream. Please continue to share our services on social media!
