VBS 2020

Going Beyond the Gold!

Welcome to Crooked Creek Baptist Church!

VACATION BIBLE SCHOOL

Our VBS begins TODAY! Please be in prayer for the young people who will be attending and all the workers who will be pouring into their lives throughout the week. Our theme this year is GOING BEYOND THE GOLD, growing in Christ. Based on the colors of the Wordless Book, children will learn that spiritual growth begins with salvation and continues throughout life. Thomas Simpson will be with us guiding the rally times. Thank you for your prayers and your service during this very important week!

OUTDOOR FELLOWSHIP

On Sunday evening, July 26, we will have a special outdoor service with a challenge from Pastor and time of fellowship. Bring a lawn chair, side dish and dessert. Hot dogs will be provided. After the challenge there will be dinner on the grounds. Since we will have volleyball, basketball, and cornhole available, casual dress is encouraged.

MISSIONARIES OF THE WEEK

RALEIGH & CASSIE HILL—ARGENTINA

We have been visiting supporting churches in the northwest. We are so grateful for all of you who are giving faithfully to the Gospel around the world. We are planning to return to Patagonia as soon as the travel ban is lifted. Please pray, we are in need of eight churches to take us on so we will be fully supported. The work is great—thank you for your support and prayers!
