

We hope the following information will help you feel at home while you are at “The Creek”.

During worship services, we provide infant and toddler nurseries for children 3 years old and younger. These nurseries are located in the hallway under the auditorium.

During the Sunday morning worship service there is a **Beginner Church** for 3-4 year olds and a **Junior Church** for K5—4th grades. 3-4 year olds are guided from Sunday School classes to beginner church which meets in room 122 (down the stairs at the rear of the auditorium).

Restrooms are located down the stairwell at the back of the auditorium. An usher will be glad to point you in the right direction or show you where they are on the building map.

Handicapped accessible restrooms are available on either floor of the church. An usher can guide you to these or to a handicapped accessible water fountain. If you are unable to climb the stairs, or have difficulty doing so, an usher will be glad to escort you to the **elevator** located through the door by the piano.

All Sunday sermons are available at ccbcathens.com as is our statement of faith and other helpful information about the church.

Please turn off all electronic devices before the service so that both you and those around you may worship without interruption.

MISSIONARIES OF THE WEEK

JAMES & CATHY HANSARD
DIRECTOR OF USA EAST TEAM

After a year of prayer it has been decided that we will be moving our family to Florida to assist in a church plant. While our duties as director of the USA East Team will not diminish, the new responsibility of starting a church will be in addition to the mission work already being done. Thank you for your prayers as we begin this new endeavor, and know that your support will not only bless missions but also help in seeing souls saved and Christians growing in the Lord.
