Service Updates

Arthur Acosta will be preaching via livestream in our Sunday morning service at 11 am, and this evening Eric Johnson, our missionary to the Dominican Republic will be speaking. We are prayerfully considering resuming in-person services next week, January 17.

Return To Service

During these days when we are all taking extra precautions, please know when we return to in-person services, you are welcome to wear a mask, social distance, or refrain from handshakes and hugs at your discretion. Let's walk in grace as we all have different risk and comfort levels. We will continue to make all services available via livestream for those who are quarantined and not able to attend.

Wedding Announcement

Arthur and Lauren would love to invite each of you to their wedding on April 24th, 2021! The wedding will be in Forest City, NC at 2PM. "Save the Date" cards can be picked up in the lobby. Please contact Arthur Acosta with any questions, or if you would like to RSVP for the wedding. All of you are welcome to attend!

Vision Sunday

Next Sunday, the 17th, we will have our previously scheduled Vision Sunday. Pastor will share the theme for 2021 that God has laid on his heart, and we will have gift bags filled with goodies for each household. We look forward to seeing you then!

Ladies Fellowship

Our next LIFT meeting is January 21st, at 6:30. Dinner will be provided. Please just come as you are and be encouraged as two of our very own Crooked Creek ladies will be sharing their testimonies. Stacy Anderson and Suzanne Hudgens will share their own stories of God's grace in each of their lives.

Youth Activities

Both the Youth Unity Night and Atlanta mission trip will be rescheduled.

Upcoming Vote

The vote for taking on Mark & Emily Mariner and Patrick & Christelle Ndjaboue will be rescheduled. The ballot will also include sending each of our missionaries \$100 one-time gift from the Missions Fund.

MISSIONARIES OF THE WEEK

ROGER & KAY BLEVINS

Despite lockdowns and Coronavirus, I was able to preach to those in Bolivia via Zoom, and we praise the Lord that BIMl has been able to stay open in support of our missionaries around the world! Pray for our health as meetings and conferences pick up that were cancelled earlier in the year. Thank you for your faithful support!
